Subject: Re: meeting and contact database

I think you thought I meant the "WHERE IN THE WORLD" database, thats not yet ready, I wanted to make sure everyone had the meeting and contact database that you developed.If that is complete I will walk around today and make sure everyone has it on the desktop and understands how to use it.let me know.Also are we still on for library computer brainstorming for tonight?
To: Chet Rhodes/ARRBcc: From: David Marwell/ARRBDate: 01/26/95 08:43:29 AMSubject: Re: meeting and contact databaseLooks good. I do have a few suggestions. Let's talk before you "release" it.
To: David Marwell/ARRBcc: From: Chet Rhodes/ARRBDate: 01/25/95 07:59:29 PMSubject: meeting and contact databaselt looks like this one is ready to roll, should I go around on friday and work with people on how to use it?
