Subject: Re: Boston

Thank you for your note. We must meet with Jack today to discuss whether he wants us to pursue a location for Thursday or does he accepts the schedule which includes Thursday as the all JFK Library day and Friday as the hearing day (at the Tip O'Neill buidling). If he wants us to pursue other places for Thursday, I have a couple of names for rooms at Harvard. But, I don't put much hope in that option. i think we should nail down the hearing for Friday at the O'Neill Building and make the appropriate plans with the JFK Library to be there all day. On additional thought: I hope the O'Neill Building room isn't too big. We'll need to set it up to make it look good.

AMSubject: BostonI don't remember if I told you, but the JFK building doesn't have anything available on the 23rd. Let me know if I should check anywhere else. Are you/we having a meeting with Jack today to discuss this meeting and try to set a schedule?
