Subject: Re: e-forms

Body:

The next step is for me to go over to the GSA and make a copy of this stuff from one of their working computers, I will be able to do that one week from this friday.   I will try to ask them to send it to us to save me the trouble but I doubt that will work.To:Chet Rhodes/ARRBcc: From:Tracy Shycoff/ARRB Date:02/21/95 04:04:57 PMSubject:e-formsChet--help! Val and I are really desperate to get the purchase orders (300s) up and running on e-forms. As you may remember, the forms are there and I can input data, but it won't print. I know you've been working with GSA on this, but we are having a hard time keeping up with our work without it. Anything you can do to expedite this is appreciated. Thanks.
