The collect call was from a reference for a candidate. I do not now remember who it was, but I might be able to figure it out. Do I need to?

Jeremy-- On the December phone bill (yes, we just received it!) there is a charge for a collect call from Greenville, SC to your private number. Can you let me know what this charge is for? Also, please be advised that government agencies are not authorized to accept collect calls except in certain circumstances. Please let me know what this was about (it was from Dec. 1) so I can put a note in the file. Thanks.
