Subject: Re: Status of privacy materials for briefing book
I think we left ourselves a little bit of room for slipping the date, is it realistic to get all materials to me by Tuesday cob so that Val and Eileen can get them copied and mailed out by Wednesday cob?To: David Marwell/ARRBcc: Jeremy Gunn/ARRB, Tom Samoluk/ARRB, Tracy Shycoff/ARRB From: Sheryl Walter/ARRB Date: 02/24/95 01:50:00 PMSubject: Status of privacy materials for briefing bookFYI, due to move disruptions and new material still coming in, it's likely that the privacy briefing materials I'm preparing may still be in draft form on Monday. Jeremy has assembled examples of released and withheld privacy- type material for illustrating these issues to the board and we have begun discussing how best to present them to the board members. We may be able to start photocopying some things on Monday, however. I'm hoping to circulate a draft Monday afternoon or Tuesday morning for comments.
