Subject: Re: How Much Per Mile?

Yes, at \$.30 per mile. However, you may only charge mileage from the office to where you are going and back since it is assumed that you are required to be at the office anyway. Also, you must be specifically tasked for the travel mileage, meaning Jeremy told you to go to meet with someone and you needed to take your car to get there. If you need guidance on this, please see me. Thanks.
