Subject:	Re: mail address
Body:	I like this idea with minor change, I have asked David if I can just remove the board from the all list and if we need to send them mail you can add the group name BOARD to your To: line.Also I think we will be using the Where in the World Database soon.To:Chet Rhodes/ARRBcc: From:Kevin Tiernan/ARRB Date:03/13/95 03:42:34 PMSubject:mail addressWill you give us an address category which is exclusive to the staff. The board does not need to be cluttered by my mail saying that I am going to spend the day at College Park tomorrow. If I had one that went to "staff only", that would be useful.
