**Subject:** Re: Draft Press Release on Anticipated FBI Document Release

Your edits are fine with me and perfectly accurate and appropriate. I am waiting for word from the FBI on the timing of their release. I also spoke with Susan Cooper. she will be talking to the Bureau and Tilley about timing and the actual availability of documents.

06:52:23 PMSubject: Draft Press Release on Anticipated FBI Document ReleaseI have provided you both with a copy of a draft press release on the anticipated FBI document release (in David's "in" box and faxed to Jack). Please advise me of your comments and/or edits.Note: The press release is on the "g" drive under "fbirls.c13." Tom: You'll find my edited version attached. Let me know what you think. I agree that we shouldn't leave a false impression of our role in the release of the FBI documents, but I thought your draft emphasized our lack of a role.
