Subject: Re: Analysis and Review Handbooks, Part II
I meant that I would give you a copy of the individual i.d. list when we are done. If others have offered to give you other parts of the handbook, you should take them up on it. Sorry about the confusion.

Just so you all know, I will be getting a complete, updated set from Chris on Thursday (including a list that is being revised right now). A big "thanks" to all of you who offered to lend me the goods for David's copy---I really appreciate it! --Eileen
