Subject: Re: Your nomination

Thanks for your message, Chris. I am sorry that I am so slow in responding. My long distance E-Mail prowess is getting better but still somewhat inadequate. I am looking forward to the new challenge. If all goes well, I am hopeful that no one will require me to leave the Board. Lord knows, it may take a long time to appoint a successor to me -- so it would be best, I think, if I just stay. See you soon.J.R.T.

Just wanted to add my personal congratulations to the chorus you must be receiving. I guess the "Minnesota Connection" was short-lived! At any rate, I am happy for you and know you will serve the people of Minnesota, and of the country, well. Continued good luck, and if there is ever anything I can do for you, please don't hesitate to call.
