Subject:	Re: WP template and Windows bugs
Body:	Yes, I'd like a template. No logout problems to the best of my knowledge. I'd like to make a pitch for some WP6.1 Windows training in the near future. I sure need it. I'm getting remedial help in the meantime from Eileen.To:ALLcc: From:Chet Rhodes/ARRBDate:04/12/95 07:55:29 PMSubject:WP template and Windows bugsPlease let me know if you need a WP6.1 template for your keyboard, Also for those of you with the new Screen Saver windows let me know if you are having any strange problems. I have had one or two reports of printing and some logout problems.thanks
