To: Senior Staff, Mary McAuliffe/ARRBcc: From: Sheryl Walter/ARRB Date: 04/14/95 04:27:46 PM Subject: Upcoming CIA conference on satellite imagery I learned today that the CIA's Center for the Study of Intelligence is (finally!) going forward on its long-planned conference on satellite imagery. I understand it probably will be held next month or soon thereafter. We should arrange to have someone from staff go, as these in the past have been extremely useful in terms of the presentations and in the materials that are declassified.
