Subject: Re: Have a good weekend: reply to your reply

I think the HH committe has been too slow in fulfilling its mandate. Your suggestion is well received... excellent thinking (blatant attempt at brownie points !!). As much as I'd like to see David, Jeremy, et. al. at the Insect Club, I just don't think it's going to happen. Have either of you got any other places in mind? In the meantime, I suggest we send an e-mail around today announcing the event (time and location pending) so that people can arrange their schedules accordingly. We'll talk later--- ciao, kids.

You better be nice to us if you know what's good for you. Just kidding. Hope you both had a nice Easter and a great weekend. Also, I think the "Happy Hour Committee" should try to get together a happy hour crew together for this Friday the 21st. What do you guys think?
