Subject:	Re: FBI raids on Lake Pontchartrain

Body:

Michael L. Kurtz, "Lee Harvey Oswald in New Orleans: A Reappraisal", in Louisiana History, vol. 21, 1980, p. 18.GW and Georgetown both have more extensive newspaper files than what you have listed, but neither library carries the New Orleans Times-Picayune or the New Orleans States-Item. I did double-check GW (by telephone) and they definitely do not carry these papers, even on microfilm/fiche.To:Laura Denk/ARRBcc:Jeremy Gunn/ARRBFrom:Christopher Barger/ARRBDate:04/26/95 04:58:38 PMSubject: Re: FBI raids on Lake PontchartrainWhere did you get the documentation for those dates? Is it a source that details the camps or teh raids themselves? Also... the LoC only has microfilm for the Washington Post,the New York Times, the Los Angeles Times, the Chicago Tribune, and The Times of London. Do you know of any facilities (GW, Gerogetown, AU, or even George Mason) that have more extensive newspaper files? If not, the University of Minnesota has nearly every major paper in its collection-- I spent many nights using their system. If it is highly important, I will be glad to research it when I am home two weeks from now.To:Christopher Barger/ARRBcc:Jeremy Gunn/ARRB From:Laura Denk/ARRB Date:04/26/95 04:47:06 PMSubject:FBI raids on Lake PontchartrainIt seems that the FBI raided the paramilitary guerrilla training camps located north of Lake Pontchartrain one or more times during the week of 7/24/63 - 7/31/63. Then, as I discussed with Christopher, the New Orleans Times-Picayunereported the raids on 8/1/63 and 8/2/63.Jeremy, I copied you because I thought you might be interested in including these dates in the chronology.
