Subject: Re: money!

Welcome to the club! We are taking any amount that you would like to give. We'll just keep the money in the safe and pull from it when needed. I haven't been part of the coffee club, but I will be happy to join. Let me know what I owe. Also, let me (us) know what kind of a utensils/supplies contribution you had in mind. Thanks.To: ALLcc: From: Tracy Shycoff/ARRBDate: 05/03/95 09:14:15 AMSubject: money!Now that I've got your attention...I have just received the first bill for the coffee. If you are part of the "coffee club" please let me know by the end of this week. Once I get a count, I'll divide the cost and let you all know how much your share will be.On another note, we need to keep cleaning supplies and utensils in the kitchen. Instead of the same nice people always donating supplies, I thought we could have a voluntary contribution fund that could be used to buy supplies as needed. We would welcome money from everyone--not just coffee drinkers! If you would like to contribute to this fund, please feel free to stop by my office and open your wallets!Thanks!
