Sheryl - I checked and Alcorn is on the mailing list and gets everything we send out, so he'll get our mailing on the regs.

Do you have Dan Alcorn on your list of people to send copies of notices, press releases, etc. to? He's an attorney in practice with Bud Fensterwald and does litigation on the assassination. He asked me for a copy of the "Supplementary information" to which Kermit referred during the question period, and I told him that it would be part of the final federal register notice. I told him we would see he was notified when the regs are published. I've put his address, etc. on the Lotus Notes public contact database if you need it.
