Subject: Re: Steve Katz

Here's the info -- he's at the Merit Systems Protections Board. Was counsel to the Senate Government Affairs committee when our act was drafted, hearings were held, and it ultimately passed. He put together substantial working files that should still be with the committee, although maybe in storage. Call him at 653-8786. You also may want to get in touch with Brian Dettelbach, who is still with the Senate committee (now on the minority side) and may be your best bet for actually getting into the files. Let me know if you have any questions, and feel free to tell either/both of them that I referred you. I'll be speaking to Steve soon so I'll mention that he should expect your call.
