Subject: Re: Lotus Notes

Body: I am not at all familiar with searching Lotus agency database records. I don't even know how to do it in the investigations database. I want to be included in any training you do on this, please.

Everyone should be very familiar by now with searching Lotus agency database records. If you are not familiar, please send an E-mail to Chet so that he can provide whatever additional instruction is needed. He should be in on Monday, and that may provide an opportunity to have him provide instructions and answers.
