Subject: Re: Gordon Winslow's Researcher's Directory
I have it and Gordon told me the update one would be out soon. I have it behind my desk, along with a list of contacts that Mark Zaid gave to me. Feel free to use them.

You may already be aware of this but Paul Hoch told me this morning that Gordon Winslow, the Miami-Dade County archivist, has assembled a directory of assassination researchers. This would be a handy resource. Is this something we should try to get? (Paul said one is only supposed to have the directory if one is in the directory, but I expect we could obtain one anyway.)
