Subject: Re: I need your Help.

I was told by payroll that you can call Aetna and tell them that the paperwork was sent to them by GSA Payroll office in transmittal #95-19 dated May 17. That should be enough info for them to get you into the system so you can see a doctor. Let me know if you need anything else.

Tracy, I spoke to my HMO (AETNA) today, at least I like to think of it as my HMO. Of course, it does not consider me a customer since it has not received any paperwork nor one penny on my behalf. Two pay periods have now passed where deductions were taken from my pay for HBI. Could you help me deal with GSA in getting the benefits I am paying for? I am running out of my allegy medication, which is a little scary. Thanks!!Dennis
