Subject: Re: de-briefing

Okay, today is May 22 and I still haven't heard from them. Would I be out of line to call them? I think the Navy would probably like for me to take care of this, and even though you and I have done everything we can do to get the thing moving, I'm wondering if we can't speed it up. To: Christopher Barger/ARRBcc: Tracy Shycoff/ARRB Date: 05/01/95 01:02:33 PM Subject: de-briefing I spoke with Ms. Frederick at the FBI. She has the paperwork needed to de-brief you and said that someone with be calling you hopefully within a week to schedule the meeting. Please let me know when you hear from them. Thanks.
