Subject: Re: Groden documents
That's great. Thank you. I'm here all day Wednesday - stop by whenever you get a chance.

Subject: Groden documentsI picked up a few more odds and ends at Archives II today. Let me know when you want them. I intend to do additional document searches of our data base, but this may have to wait on my getting more training on how to do such searches properly.
Re: physical evidence generally -- I checked Volume 6 of the HSCA report, per your suggestion, but didn't find anything that looked like the photograph indexes I saw out at Archives II, so I'll copy those next time I'm out there.
