Subject: Re: DOS briefing
I have a copy of the 135 form for the lot of Mexico City post files (1959-1966) retired in the late 1960s, which--with proper deciphering--gives a general overall view of what is in each box. It is possible from this information to determine the range of dates and subjects within each box. I'll give a copy of what I have to each of you, and would be happy to explain it.
