Subject: Re: Reminder on Interns
I have the resume file and will drop it off shortly.Dan will be in this afternoon, Delaney needs to finalize her hours at her other job and will call us today. I suspect Frank will be here shortly, but I'm not sure.Joe is going to the Archives today and is willing to facilitate the first visit of the interns, but with today's schedule I don't know what interns will be able to go with him. We could send Frank up this morning and have Dan meet them there?
