Subject: Re: Newman's book

Unfortunately, I do not have it with me today and I will be on vacation until Wednesday of next week. I will have it with me then and you are more than welcome to look through it. However, I did see a copy in Jeremy's office if you want to see it sooner than I can provide. I was in a meeting all morning and will be at the Archives this afternoon, so if it is not a problem you can put the filing we spoke about this morning in my filing tray and we can go over it when I return next week. If it is something that must be filed before then, please feel free to email me and I will make the time today to go over it with you.
