The time is fine. Are you hoping for (or expecting) additions for a letter for the Board? If so, when?

Subject: Meeting  
I would like to hold a senior staff meeting on Monday at 10:00 AM. Is this time convenient? The two main agenda items will be:  
1) Our state of readiness for the Board's visit next week.  
2) A report on New Orleans.  
Please submit additional agenda items to me by 9:00 AM, Monday.
