Subject: Re: Return of David's book and Gary/Patricia Underhill
Thank you for mentioning that passage. I queried DiEugenio about it in early May. He claims to have done more research on the topic since he wrote the book and said he would send it to me. It's a long story, but I hope to get the info. from him soon.

Thank you for lending me DiEugenio's Destiny Betrayed, I've returned it to your "in" box. On page 30, DiEugenio relates the tale of Gary Underhill and references an ex-spouse who "refused to turn over any papers he may have written concerning the assassination." It isn't clear from this statement whether there were, in fact, any papers, but FYI in any case.
