Subject: Re: Welcome
Thanks again. I'm glad to see that there is strong undercurrent of that devil may care cynicism that I'm so comfortable with. I think you are right. I'll be fine on any team here. Go where you might get a ring somewhere down the line. The CIA team may need a good outside shooter... I think I can post up most people on the staff, with the exception of David (he's kinda tall). On a more serious note, I think you'll find everyone in the office very friendly, and the office atmosphere very laid back. It should be a welcome change from the fast-paced law school thing.
