Hopefully we won't have to. The microfilms are assassination records and will be sent to the JFK Collection.

I know this PO has already been taken care of, but I have a question--how are we going to read the microfilms? I'm sure you have an answer for this but I'm stumped!

David wants us to order the three microfilms the N.O. Archives has of the Garrison files in its possession. This is what I asked you about yesterday. The films are \$13.50 each (\$40.50), there is also a \$5.00 total shipping charge. I'll write a letter to accompany the P.O., just let me know when the P.O. is ready to go. It should be directed to: Mr. Wayne Everard, Archivist, New Orleans Public Library, Louisiana Division, 219 Loyola Avenue, New Orleans, LA, 70140.
