Subject:	Re: Equifax on-line services

Body: I'm hand carrying the folder to you at this moment.To:Anne Buttimer/ARRBcc:David Marwell/ARRBFrom:Tracy Shycoff/ARRBDate:06/22/95 08:17:22 AMSubject: Re: Equifax on-line servicesI just realized that I don't think I ever answered this note. If we are going to use Equifax, I would like to set up a file on them with any info that we have. I would assume that we need to do a PO or sign some type of agreement with them so that they will bill us later for services. If you pass the folder over to me, I'll call them and see what they need and get it set for when you need it. Thanks.To:Tracy Shycoff/ARRBcc: From:Anne Buttimer/ARRB   Date:05/23/95 03:36:36 PMSubject:Equifax on-line servicesAfter we met with the Equifax people on April 26 I realized I don't know if we have the administrative channels open and set to use their services. I called their references and David said OK, but were there any purchase orders or other admin. things that needed to be done or can I just call them and start to use the service whenever the need arises?
