Good news, I just spoke with Janet and you can go down to the FBI this afternoon and get debriefed. Ask for either Roz or Janet. They are in room 4256.

I just called Janet Frederick at the FBI. She was out but I left a message. I apologize that this hasn't been taken care of. I'll see what she says when (if) she calls back. I'll be tough and stress the importance and hopefully we'll get results!

I know I've mentioned this about fifty times, but my old unit is getting pretty nervous. Is there anything I (not you, I know you already have a million things to do) can do to speed up the FBI in getting me debriefed? Thanks again. Sorry to bother you once more with this, and, gosh darnit, have a great day!
