Subject:	Re: HSCA staffers, yet again
Body:	This is great. I'm meeting with two former HSCA staffers next week (Jane Godfrey and Jacqueline Hess) and I'll run the list by them and ask for their input on MLK staff also. Thanks again.To:Anne Buttimer/ARRBcc: From:Joseph Freeman/ARRB Date:07/06/95 10:56:52 AMSubject:HSCA staffers, yet againIn your "In" box, you'll find a draft of a HSCA staff listing with fields for name/position, soc. sec. number, community of residence (circa 77-79) and "other" relevant information. There are 125 names on the draft list. There are 32 additional staffers that I have been able to isolate as MLK staffers. These MLK staff names are not included on the list. I suspect there are other names among the 125 that are MLK staffers, as well, but I haven't been able to ferret them out as of yet.Before this list can be "finalized" for our immediate purposes, I need to make another trip to Archives I. This trip could not be scheduled before next Tuesday, July 11th. But I wanted to get you this draft list before then so you can see how I've formatted it and get some sense of what the final version will look like. Please advise if you have any thoughts.Bear in mind that there was a great deal of staff turnover on the Committee, given the ouster of Sprague, the coming on of Blakey, Blakey's staff layoffs, etc. Some of the folks on the list may only have been on board for a while, early on.Once we have a workable "final" (as opposed to perfect) list, you can make a decision about whether it's worth going to the trouble of running it by other people (outside ARRB) for additional corrections/input before trying to get updated addresses for the listees.
