Subject: Re: Gene Wheaton - gum shoe issue 3
I have no further information from Ayers. Christopher interviewed Ayers in Minnesota. I think for your own background, you may want to read Chris's memo.

Gene called me today. He is in town and would like to meet with me. Jeremy - do you have any further information from Brad Ayers about who or what is driving Wheaton and whether what he tells us should be treated as dis-information? I hope to meet with Wheaton on Monday 7/10.
