Subject:	Re: Sending RIFs with evidence forms
Body:	Sending RIFs should assist the FBI in determining which documents are duplicates of which. In fact, we sent them RIFs with the request for evidence forms that we delivered last week.To:Phil Golrick/ARRBcc: From:Chet Rhodes/ARRB Date:07/11/95 10:19:14 PMSubject:Sending RIFs with evidence formsI was talking to david about placing the RIF info onto the evidence form and he seemed to think we did not need to send the RIF with the form. What think you o FBI leader?I will be working on getting that macro functioning soon and would like to have all of us agree on how it should work.
