Subject:	Re: Agency Contacts Database
Body:	I know, I know. I tried to delete it yesterday when I saw your entry, but it wouldn't let me. I went into "edit" and actually deleted the info, but it wouldn't let me exit the screen without entering a "company name." If you know how please advise. Also, and for the record, I conducted a search beforehand for the words "Air Force" and came up empty. That's why I made the entry. Go figure.
