Have you or any of your people looked at any communist party files yet? If so, have you developed any names for me to track as potential sources of records? (I already have the names Theodore Draper and Earl Russell Browder.)To: Jeremy Gunn/ARRB, Phil Golrick/ARRB, Joan Zimmerman/ARRBcc: David Marwell/ARRB From: Anne Buttimer/ARRB Date: 07/18/95 02:09:34 PMSubject: CPUSA - Gum Shoe Issue 40I spoke with David Garrow this morning about CPUSA assassination records. He suggested that Walter Boyle and other retired (or still active) FBI agents should be good sources of names of CPUSA officials to track for assassination records. He also suggested that if the Board has not already asked the FBI for all of its CPUSA files, it should, because if the Bureau's coverage of the party was as complete as he thinks it was, FBI files should have as much information as CPUSA files would have. Have you looked at any CPUSA files and have you developed names for me to follow up with? (in addition to Theodore Draper and Earl Russell Browder.0
