No, I don't know if the show is sold out, but I imagine there are still some lawn tickets available. In fact, I may have two lawn tickets if you would like to buy them. I should know next week. Also, I don't know if they are playing anywhere else.

I noticed you are going to see them at the end of the month. Do you know if that show is sold out? Do you know if they are playing anywhere else in this area around that time?
