Subject: Re: Money issues and credit unions
I don't know anything about what credit unions are available to govt. employees. I suggest you call GSA liaison office at 708-5702 and ask for info. I won't co-sign on loans for you, however, I will be happy to be a recipient of any money you aquire!

Manuel and I were wondering, (1) Can we join any federal credit union we wish, or does it have to be GSA? (2) How long do we have to be working here (or how many open seasons do we have to survive) before we can legally join? (3) How do we go about doing this? (4) Are you the right person to ask about this or should we be talking to another person? (5) Will you co-sign on loans for each of us? Please advise us as soon as possible. Thanks a million (or in my case, a few thousand.)
