Subject: Re: customs clearances

Before I sent the letters to Gloria Marshall and the other people at Customs and Treasury saying that I assumed that they would have received our clearances by the time they read the letter, I asked Tracy whether she had passed our clearances to Customs. She assured me that she had. Do you want me to call Gloria and let her know that we have not forgotten about sending your clearance, but that the FBI security office has moved, etc... ? PMSubject: Customs clearancesI passed Laura's clearance to Customs and have not heard anything on it so I assume it went ok. Jeremy's clearance won't be able to be passed until Friday of this week--the FBI security office has been moved and things are a little difficult for them over there. Let me know if this is a problem.
