Subject:	Re: Voice Mail
Body:	Usually when I dial someones ext., and they don't pick up it would roll over to the voice mail. I don't know if it has anything to do with an outside or inside net. I'll ask Tracy.To:Christina Mays/ARRBcc: From:Douglas Horne/ARRB Date:08/11/95 05:29:17 PMSubject:Voice MailHey! My voice mail is set up now and I even had one message on it today! (I think the reason it didn't work the other day was because your "test call" was not from outside the net. Anyway, a friend of mine called me at 4:50 P.M. today and successfully left me a message!) Thanks, Doug
