Subject:	Re: Agency file number report
Body:	Thanks. In the future, I would like to be able to generate a list showing both numbers that we can give to the Archives and interested researchers.To:Jeremy Gunn/ARRBcc: From:Chet Rhodes/ARRB Date:08/15/95 07:46:53 PMSubject:Agency file number reportI created the agency file number report; however due to the fact we hand entered all of the CIA documents for this go around it does not work. (We only entered the RIF and # of postponements, it will work as we move into documents from the Review track database.)I have also left copies of the various forms in your in-box.
