Subject: Re: Interns
Dennis - do you want to answer this one? I don't really know what Tracy's plans are, or what she is working on right now. Joan says that Tracy is currently working on something for her and that she (Joan) wants to give Tracy one additional project. If so I have a research project that will involve reviewing scholarly abstracts/digests to determine if Dr. John Nichols published more papers about his ballistics tests than we know about through the HSCA. This would probably be a LOC type project.
