Subject: Re: I forgot...
we probably shouldn't count it since you didn't have a particular need to stay, it was just for happy hour.
however, next time maybe you can just change your hours for the day and come in a little bit later.

me this morning about my time, that I would be working past 4 today because of hapy hour. Can we just put
that half hour onto Monday instead, or do I just lose it?
