Subject: Re: Thanks!

Body: No, the thanks go to you. Without your knowledge of what is needed, we certainly would not included all the items required.To:Jerrie Olson/ARRBcc: From:Laura Denk/ARRB   Date:08/25/95 04:44:14 PMSubject:Thanks!Thank you so much for your hard work on this Public Reading Room stuff. I know it can be frustrating trying to figure out what everything is and where it should go, but I'm sure that, once we get through this initial stage - we'll identify all the glitches in the system and then it will run smoothly. I really appreciate all your help!
