**Subject:** Re: Previous E-Mail on Pierre Finck

Unfortunately my filing system is not wonderful enough to have this email, however, Chet can go into his files and find old email messages - it helps if you have a date for him to start looking, or he can look by messages you sent. good luck.

Subject: Previous E-Mail on Pierre Finck

Some time back, in attempting to answer a query you gave me (originating in Mr. Milam's testimony before the Board at last November's Public Hearing in Dallas), I believe I sent you an E-Mail regarding Dr. Pierre Finck and a letter to the HSCA which had been referred to the CIA. This issue has come up again in a letter to the Board from a Dr. David Mantik. With your wonderful filing system, would you happen to have a copy of this old E-Mail... it would help me reconstruct work I've done before on this subject, but have since forgotten. Thanks!
