Subject: Re: Request for Service Record

Gus Russo gave me Hemmings old address as somewhere in North or South Carolina, I believe, although Gus said it was an old address and that it was unlikely Hemmings would still be there. At least that gives me something to work with in addition to the info. you provided. I'll fax a request to the Military Records Center in St. Louis today and will try to get them moving on this request on a ASAP basis. I'll keep you posted.

Anne, I need to see one more complete service record for a variety of reasons. I'm afraid this one is also "urgent". I tried very hard to find an SSN or Service Number, but couldn't. Here is what I could find: Name: Gerald Patrick HEMMING, Jr. (Nickname "Jerry") Military Service: USMC (Enlisted), Active Duty reputed to be from 19 APR 54-17 OCT 58. There was a possible USMC Inactive Reserve affiliation following his release from active duty. Note: Although much has been written about Mr. Hemmings and his "soldier of fortune" activities, that is not what I am interested in. It's his military service that I need to check on. I do NOT need to know his present whereabouts. He is still living (or at least he was last spring). Thanks.
