1. His nickname is usually spelled "Gerry."2. Doug, we know that IRR has a great deal of Hemmings's record and they are processing it under the JFK Act.

Anne, I need to see one more complete service record for a variety of reasons. I'm afraid this one is also "urgent".I tried very hard to find an SSN or Service Number, but couldn't. Here is what I could find: Name: Gerald Patrick HEMMINGS, Jr. (Nickname "Jerry") Military Service: USMC (Enlisted), Active Duty reputed to be from 19 APR 54-17 OCT 58. There was a possible USMC Inactive Reserve affiliation following his release from active duty. Note: Although much has been written about Mr. Hemmings and his "soldier of fortune" activities, that is not what I am interested in. It's his military service that I need to check on. I do NOT need to know his present whereabouts. He is still living (or at least he was last spring). Thanks.
