Subject: Re: Cliff Fenton
My thoughts, too. At this point I don't have any specific topics/dates but wanted to get Fenton to agree to an interview while I had him on the phone, also wanted to let the R&A folks and senior staff know that we'd made contact with him if anyone else wanted to talk to him. If an interview should arise while I'm not hear, I recommend you speak to David to get included in attending it.
