Subject:	Re: CIA review database
Body:	I will be in again on Monday can we sit down for a few minutes then. Also we need to get your documents for that weeks board meeting into the system. I have Bob and Noelle on alert to help us print out what ever forms we need for the board meeting. I think most of the documents that might come up at this meeting are in the database. Lets talk Monday afternoon and get that part of the system working for you.
