Subject: Re: HSCA Report
It's this place down by the District Court called Johnny's. They have a buffet with different Chinese food everyday. A pound of food starts at \$3.99 , the price will go up depending on how much food you get. They also have American food that you can order in advance. I think there's a menu for Johnny's in the kitchen, if so I'll leave it for you at my desk.
